Parent & Teacher Guidance

Curriculum focus

Topic: Non-fiction structure. Develop accurate observation, subject vocabulary and evidence-based explanation. Mapped scope: Lower KS2 English: retrieve information from non-fiction and use organisational devices such as headings and subheadings in non-narrative writing..

Before you begin

Review the picture together and ask the learner what they already notice about Non-fiction structure. Read the activity aloud, explain unfamiliar vocabulary, and agree which details need special attention.

Solo activity

The learner can complete the colouring independently, then use the finished page to explain three details linked to Non-fiction structure. Encourage accurate colour choices where they carry meaning, but allow creative choices elsewhere.

Group activity

Give pairs or small groups different areas to inspect. Ask them to agree on evidence before colouring, compare their findings, and present one curriculum fact to the class. Finish with a whole-group check against the guidance below.

Questions to guide discussion

What evidence can you see? Which feature is most important and why? How does one part connect to another? What new fact about Non-fiction structure can you explain using the picture?

Answers and checking

No fixed answer is required. Accept well-supported observations that match the curriculum focus and visible evidence.
