Parent & Teacher Guidance

Curriculum focus

Topic: Daily routine. Develop accurate observation, subject vocabulary and evidence-based explanation. Mapped scope: DfE national curriculum programme of study for key stage 3.

Before you begin

Review the picture together and ask the learner what they already notice about Daily routine. Read the activity aloud, explain unfamiliar vocabulary, and agree which details need special attention.

Solo activity

The learner can complete the colouring independently, then use the finished page to explain three details linked to Daily routine. Encourage accurate colour choices where they carry meaning, but allow creative choices elsewhere.

Group activity

Give pairs or small groups different areas to inspect. Ask them to agree on evidence before colouring, compare their findings, and present one curriculum fact to the class. Finish with a whole-group check against the guidance below.

Questions to guide discussion

What evidence can you see? Which feature is most important and why? How does one part connect to another? What new fact about Daily routine can you explain using the picture?

Answers and checking

Accept four distinct visible pieces of evidence linked to daily routine. Each answer must identify the feature and explain the link. Suggested vocabulary: wake, wash, dress, eat, travel, study, relax, sleep, time expression.
